Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.  
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.  
If you have an immediate need for a feature please submit a Change Request instead.

**Short summary of idea\***

Hide groups from Thank You application

**Application/Area**

Other

**Description**

It would be nice to be able to hide certain groups from being able to receive "thank yous". We use some of the groups for backend purposes only and when using the Thank You application they are veiwable to the general user population. This can be confusing for folks.
