Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Click through to individual profiles from Org Charts

Application/Area
People

Description
It would be really useful when viewing an org chart to be able to click through to individuals' profiles, rather than having to then leave the org chart and search the People Directory. Many competitor products do this already. It would really improve the experience to add this as a feature.
