Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.  
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.  
If you have an immediate need for a feature please submit a Change Request instead.

**Short summary of idea\***  
People list component to support roles

**Application/Area**  
People

**Description**  
Client uses LDAP groups but doesn't have a relevant group for some of their teams so we need the People List component to support Roles as well as groups

This has come up before with another client!
