Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

KnowledgeBase: change commenting default for new knowledge articles

Application/Area

Knowledge Base

Description

Hi,

Please consider adding the option for admins to uncheck "enable commenting" by default or grey it out to not be on by default and then activate it later if we want. Thanks.
