Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Documents: Make Move Documents into a new folder more user friendly

### Application/Area

Documents

### Description

Please update Documents to be able to support drag and drop to move files to new folders instead of the convoluted copy to clipboard button, move button, then choose new folder location. Thanks.
