Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a Change Request (https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*
More permission restrictions around Pinning Events

Application/Area
Events

Description
When all users can create events they also want their event to be pinned to the top.

Add additional functionality so that only an admins can pin events as it becomes redundant if every event gets pinned
