Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request (https://discover.claromentis.com/forms/changes)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*

Rich Content / Open Graph protocol for Discussion Boards

Application/Area

Discuss

Description

Consider implementing Rich Content for the Discuss module (and others). At a minimum, the module could use the og:image meta data to include an image when sharing a link. It would make the module more visually appealing and more engaging for users.
