Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request (https://discover.claromentis.com/forms/changes)](https://discover.claromentis.com/forms/changes) instead.

Subchannels

Application/Area
News

Description
Hello :)

I think a missed opportunity within the news channel is that we can't currently have subchannels.

E.g. we have a HR channel and a separate internal vacancies one, however, it would be great if we could organise these as more of an umbrella system so that underneath HR, our vacancies, career, and people news could have their own subsections.
