Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*

AI Bot for Claromentis Users

Application/Area

General

Description

Are there plans for an AI function inside of Claromentis? We need an application that can converse with users about what they are looking for inside of Claromentis. ideally it would be able to extract external data too. Or, perhaps there is another plugin or tool that we can use for that currently?
