Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request (https://discover.claromentis.com/forms/changes)](https://discover.claromentis.com/forms/changes) instead.

**Short summary of idea***

Ensable Voice recognition for AI

**Application/Area**

General

**Description**

Liam confirms that adding voice recognition to our AI might be a quick win because there is a google speech to text library

This would be very powerful for sales and marketing - please can this be considered
