Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request](https://discover.claromentis.com/forms/changes) (<https://discover.claromentis.com/forms/changes>) instead.

Short summary of idea*

Automated Organisation Chart based on Groups

Application/Area

OrgChart

Description

There are some staff who are in multiple department/divisions and while it is a nice feature to exclude staff not in that department/division, it would be even nicer to leverage on the Groups column. Is it possible to auto generate the organisation chart based on the Groups column and the existing manager relationships?
