Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*

Would like to be able to schedule a distribution status

Application/Area

Policy Manager

Description

We would like to be able to schedule a status change from Review to Distribution. for example we have a policy approved but we don't want it to go live and notify people until a certain date. we would like to be able to select a date a time for it to go to distribution
