Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*

Regular sending of user list via email for updating other systems

Application/Area

People

Description

We used to maintain our user information in a Sharepoint list but now that is not possible with the information directly added on Claromentis. Hence request to consider sending the user list via email on a regular basis so that we can use it to also update other systems.
