Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*

Improvements to downloading IC ticket data

Application/Area

Infocapture

Description

Request originally from HBP Law:

Add functionality to download a single pdf file containing all files uploaded to a form that includes a copy of the completed form. Download function available from ticket system when user becomes ticket handler.

Add functionality to label top right of form copy with ticket number/id when downloading.

Add functionality to bulk download these single pdf files that contain files uploaded to form from the ticket system by selecting multiple tickets.

Add functionality to bulk download these single pdf files that contain files uploaded to form from the ticket system with "select all" button
