Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request](https://discover.claromentis.com/forms/changes) (<https://discover.claromentis.com/forms/changes>) instead.

Short summary of idea*

Better search functions in the employee directory, search by department.

Application/Area

People

Description

We'd like to see the advance search capabilities on the People's list component - similar to the drop down option when going to the People's module. so end users can do advance search without leaving the page they are on.
