Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

Sinking/compatibility with Salesforce

Application/Area

Calendar

Description

Would love it if Salesforce calendars could sink to Claromentis. Half of our calendars are in Salesforce. This would be so helpful to be able to sink our SF calendars to our intranet.
