Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request](https://discover.claromentis.com/forms/changes) (<https://discover.claromentis.com/forms/changes>) instead.

## Short summary of idea\*

Adding ability to ask a question based on an answer in surveys

## Application/Area

Survey and Polls

## Description

More options in survey and polls. Ability to answer another question based off of the original question answer. If yes, then... this or that. If that makes sense.

Also the ability to add long or short text when selecting multiple choice. Text as an option.
