Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request (https://discover.claromentis.com/forms/changes)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*
A quorum feature for polls and surveys

Application/Area
Survey and Polls

Description
New potential client has a very official approach to surveys as part of the way they work with users in their community - and part of this is that to be accepted a survey has to have a quorum of people - ie enough responses - either a percentage or an actual number of responses
