Short summary of idea*

Monday through Friday calendar option

Application/Area

Room Booking

Description

Update the calendar so users can choose a Monday through Friday view.

Pros: simplifies schedule for businesses/orgs closed on weekends; eliminates the chance a user books a room on the weekend; eliminates a possible double-booking if another event is booked because the room appeared open due to the weekend reservation.

Another option would be to add a pop up, "You've selected a weekend day. Is this correct?" So users have a chance to change the date. Thanks for considering this.
