Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

**Short summary of idea\***

Statistics - Export to csv or Sort by Title

**Application/Area**

Statistics

**Description**

When trying to view the document views for 1 specific file, we are unable to sort the list by file name or export the data to excel or csv file for further investigation. Same for Pages and other Statistical data.

This would be a nice feature to have and it would make this data more useful.
