Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request (https://discover.claromentis.com/forms/changes)](https://discover.claromentis.com/forms/changes) instead.

Allow Images in Announcements

Application/Area

Other

Description

Due to the flood of communications (emails, notifications, etc) users get each day, important communications can often fall through the cracks. Adding the ability to add images to the content of an Announcement would make them more eye catching and more likely to be read by users.
