Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request (https://discover.claromentis.com/forms/changes)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*
Room Booked - Adding additional users to the booking form

Application/Area
Room Booking

Description
We can currently book on behalf of someone - but it'd be great to add additional users to those attending the booked room - ie 'operations catch up' booked by 'user' and then additional '*username(s)* attending'
