Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request](https://discover.claromentis.com/forms/changes) (<https://discover.claromentis.com/forms/changes>) instead.

Description

In order to be able to automate the billing process, we would like to synchronize tasks and hours with our billing software.

This could work similar to the InfoCapture API.

However, write access would be helpful too.
