Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

### Short summary of idea\*

Side menu remain open

### Application/Area

General

### Description

We currently have our navbar/menu across the top, but we're running out of space. We would really like to use the side layout for our navbar/menu, but it's collapsed by default so you have to click the menu icon in order to open it. It would be nice if the menu could just stay open. Thanks for your consideration!
