Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*

Search by 'username' in people admin

Application/Area

People

Description

Relatively quick win that would be really useful, especially with larger customers where we need to troubleshoot certain issues. Working with a large customer, we were trying to find certain usernames and were unable to from the people admin page. There is no way to search for username currently, unless you go to admin > people > export and then search by the username there.
