Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*

Car Booker

Application/Area

Room Booking

Description

Use room booking feature, but change to be for cars. We have a fleet of vehicles that we can use when needed during business hours and a booking feature would be great! Only need to know how many seats, where the keys are, and whether it's gas or electric.
