Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*

Ability to have image type in Polls

Application/Area

Survey and Polls

Description

Enabling image based poll answers within Polls and Surveys. This would support visual or display based use cases such as "Select your winner of the Halloween competition" - where users choose between image options rather than text options.
