Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*
Out of Office Infocapture

Application/Area
Infocapture

Description
The ability to use the out of office add on but its not linked to Claromentis holiday booking. Would work the same way but would just need to set manually or communicate via an API to something like Edays to see whos off.
