Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a Change Request (https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*

Allow API access to Audit logs or provide automated export

Application/Area

Audit

Description

For automated security monitoring, it would be very helpful if Audit logs were accessible through API. Alternatively, it would help if at least an automated daily export could be set up for the audit logs.
