Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a Change Request (https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*

Statistics Application to include News Engagement Filtering

Application/Area

Statistics

Description

Customer suggested including filtering similar to the KB application on the Statistics application - likes, comments, shares etc. - specifically for News articles - so they can pull data more effectively
