Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request (https://discover.claromentis.com/forms/changes)](https://discover.claromentis.com/forms/changes) instead.

Custom widgets character limit

Application/Area

Pages

Description

When creating custom widgets with textarea, it has a limit of 3000 characters, it should be unlimited, as this causes issues if someone is trying to publish content with lots of characters

We create custom widgets and this includes displaying content in the modal
