Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

Ability to Clone Infocapture

**Application/Area**

Infocapture

**Description**

Many of our forms have similar properties, fields and workflows. Being able to quickly clone an existing form would save a great deal of time. We have figured out the process to download/upload forms, but this feels like a work around to being able to build a form quickly from an existing one that is cleverly built.
