Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*

Add Notes Section to Certificate

Application/Area

Learning

Description

<https://core.jrmcnd.com/learning/trai...s?user=3> (<https://core.jrmcnd.com/learning/training-records?user=3>)

It would encourage use of this tool if it could contain a notes section like there is in "+Add New Record". This would then be an option to get this info in our reports.

Alternatively, if the training record had the valid to/valid from, like "+Add Certificate" that would work great too!
