Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*

Projects Application API

Application/Area

Projects

Description

An API similar to the People or Documents APIs would be extremely helpful in automating project and task intake.

API endpoints for creating projects, creating tasks, and reading the status of projects and tasks for reporting purposes are chief among those we would like to see.
