Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request (https://discover.claromentis.com/forms/changes)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*

Projects - Agile Features

Application/Area

Projects

Description

A way to link projects and tasks to each other, including to higher level deliverables, would be a major improvement. Features that replicate the concepts of stories and epics from the Agile framework would be ideal, especially if tasks from multiple projects could be linked back to one "epic" level deliverable.
