Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*

Upload Skills from CSV

Application/Area

Other

Description

There is already a download option present. It would be a timesaver to be able upload a CSV to add skills in bulk.

We are building out our site and have lists of people currently in excel files for things like:

- Notary
- Epic Super User
- Epic Super Trainer
- Peer Trained
- Mentor
- Preceptor
- Timekeeper
- CPR Instructor

Having an upload option would help us increase engagement from people who manage these list in disparate tools and definitely save time. Thank you!
