Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

Description

Hello!

Recently our marketing person inquired on if Claromentis was able to send people an email and/or notification wishing them a Happy Birthday or anniversary. I was informed this would be a great idea for future ideas and wanted to submit it. The framework is there in the people profiles. It would be great if they received something fun for their birthday or anniversary. Just an idea.
