Please feel free to submit new product enhancement ideas. Our Product Owners will review your ideas periodically and let you know personally if your Idea has been scheduled for development.

Unfortunately, it is not possible to pick up every Idea and not every Idea will receive a reply.

Make sure you also vote on Ideas that you want to see in the product, as we will take this into account when deciding on which ideas to implement.

If you have an immediate need for a feature please submit a [Change Request \(https://discover.claromentis.com/forms/changes\)](https://discover.claromentis.com/forms/changes) instead.

Short summary of idea*

Equipment Checkout History

Application/Area

Room Booking

Description

The way the system works, you cannot look at each item's checkout history. It would be nice to have a list of all checked out items as well as a way to see the history of each item.

The current list only shows history of all checked out items, but doesn't even list the equipment on that page so you have to click through each one to see which item it is.
