

## Claromentis Browser Support Endorsed

Our teams focus on utilising the latest technology, allowing our customers to benefit from the best intranet software for their business. As browser technology advances, so do we, and our research and development goes into creating software which makes use of the newest features modern browsers can offer.

Each new version of Claromentis is thoroughly tested to ensure compatibility with modern browsers, providing a seamless and reliable user experience. We will typically only support the most current browsers, so that we can continue to produce cutting-edge software for our customers.

## Claromentis 7

*Browser support for Claromentis 7.X*

Internet Explorer 8 Partial

Internet Explorer 9

Internet Explorer 10

Internet Explorer 11 Recommended

Google Chrome Latest Recommended

Mozilla Firefox Latest Recommended

Apple Safari Latest Recommended

Mobile browsers: iOS 7+, Android 4+,

# Claromentis 8

*Browser support for Claromentis 8 +*

**Internet Explorer 9** **Partial**

**Internet Explorer 10**

**Internet Explorer 11**

**Microsoft Edge Browser** **Recommended**

**Google Chrome Latest** **Recommended**

**Mozilla Firefox Latest** **Recommended**

**Apple Safari Latest** **Recommended**

Mobile browsers: iOS 8+ , Android 4+

# Claromentis 8.1 & 8.2

Claromentis 8.1 will no longer support Internet Explorer 9. This is to make way for our new module, Pages, which allows intranet administrators to customise their homepage with drag and drop functionality.

**Internet Explorer 10**

**Internet Explorer 11**

**Microsoft Edge Browser** **Recommended**

**Google Chrome Latest** **Recommended**

**Mozilla Firefox Latest** **Recommended**

**Apple Safari Latest** **Recommended**

Mobile browsers: iOS 8+ , Android 4+

# Claromentis 8.3 - 8.10

Claromentis 8.3 will no longer support Internet Explorer 10. This version of the browser has no longer received support from Microsoft since January 2016. Encouraging usage of this browser means putting users at risk of security vulnerability.

**Internet Explorer 11**

**Microsoft Edge Browser** **Recommended**

**Google Chrome Latest** **Recommended**

**Mozilla Firefox Latest** **Recommended**

**Apple Safari Latest** **Recommended**

Mobile browsers: iOS 9+ , Android 5+

# Claromentis 8.11+

<a href="#">Apple Safari</a>	Latest <b>Recommended</b>
<a href="#">Google Chrome</a>	Latest <b>Recommended</b>
<a href="#">Microsoft Edge</a>	Latest <b>Recommended</b>
Microsoft Internet Explorer	11

Mobile browsers: iOS 9+ , Android 5+

**i** Please note that the section below refers to upcoming versions of Claromentis

## Claromentis 9

Starting from Claromentis 9, we will no longer support all versions of Internet Explorer. We've made this decision in order to improve the security and reliability of our product and help us to design and develop the best possible intranet software for our customers.

Browser	Version
<a href="#">Mozilla Firefox</a>	Latest <b>Recommended</b>
<a href="#">Apple Safari</a>	Latest <b>Recommended</b>
<a href="#">Google Chrome</a>	Latest <b>Recommended</b>
<a href="#">Microsoft Edge</a>	Latest <b>Recommended</b>
