Quiz: Pass or Fail

Pass/Fail Options: 80 % or more of total points to pass

0 points or more to pass (Total Points: 10)

Note: Maximum points to be earned is the sum of all weighted points.

If Passing Grade:

Action:

If Failing Grade:

Allow User: Attempts OR Infinite Attempts

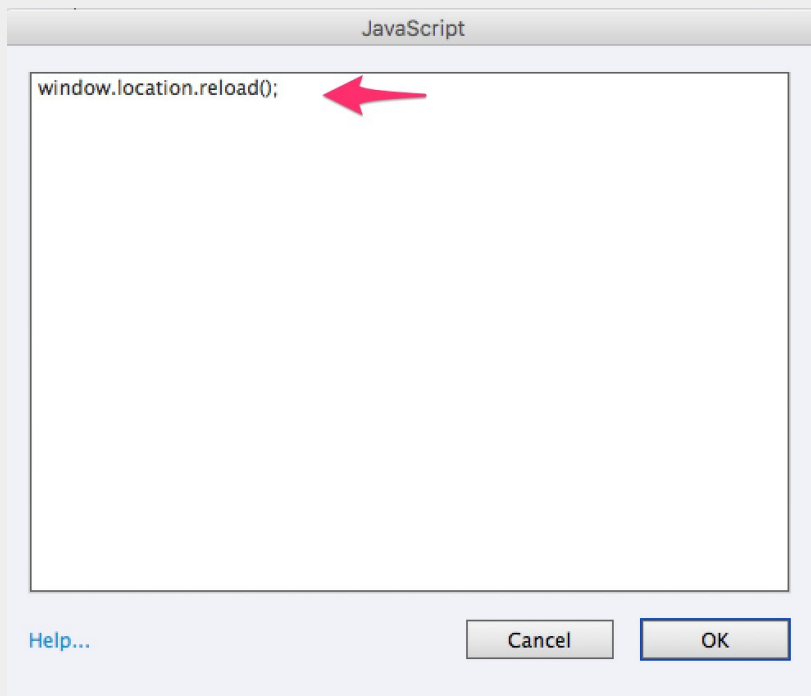

Show Retake Button

Action:

Open The Script Window and enter

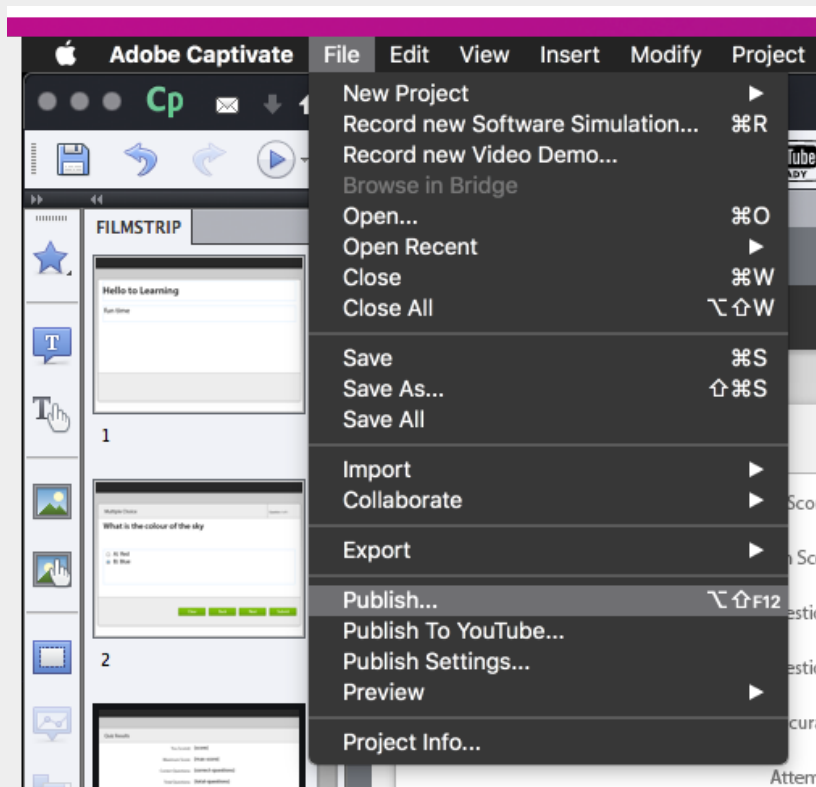

```
window.location.reload();
```

This is to ensure the window refreshes upon completion so that information is sent to Claromentis.

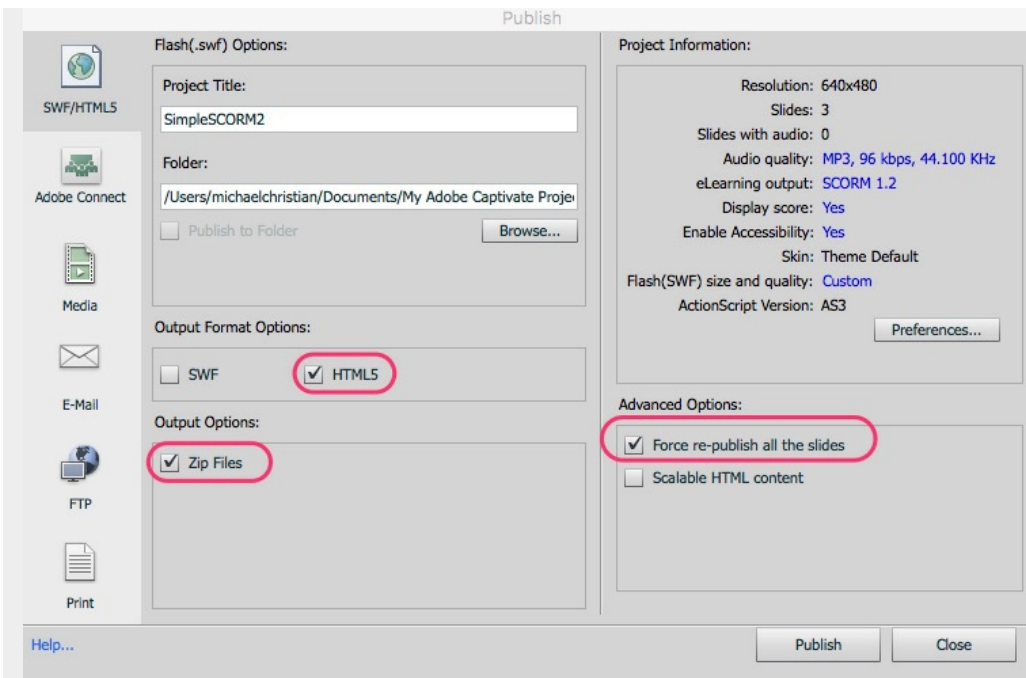

How to publish SCORM content

To Publish your SCORM, from “File” go to “Publish”.

Here are our recommended settings:

Output Format:

We recommend HTML5 as SWF is not compatible to be played on some tablets including iPad.

Output Option:

Zip Files

Force re-publish all the slides

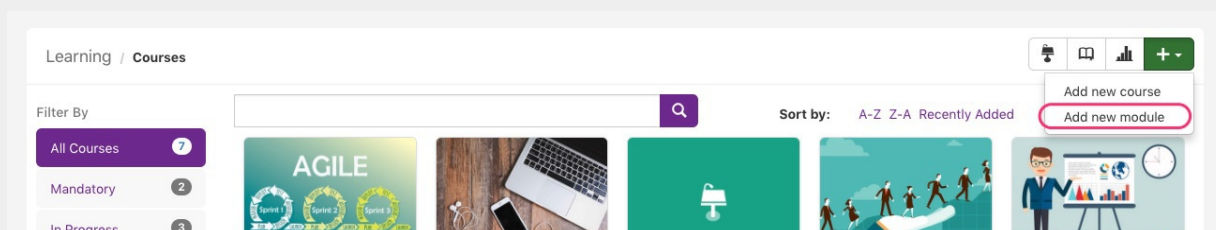

Enable this option to make sure that all slides are updated in the zip file.

click Publish

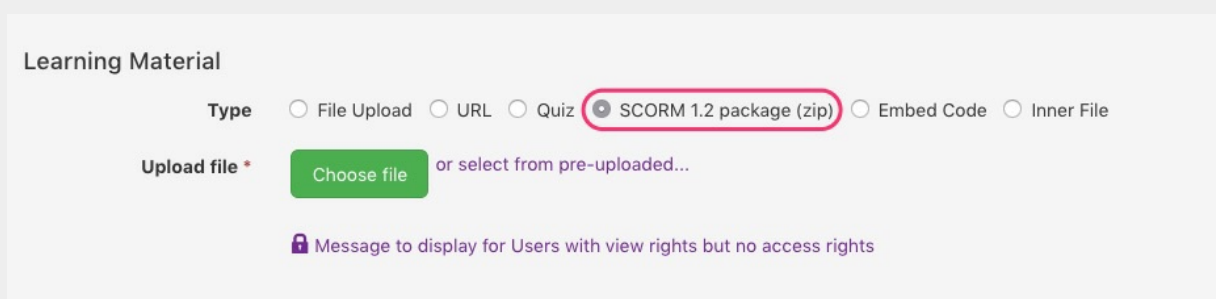

Uploading SCORM in Claromentis

In Claromentis navigate to

Applications > Learning > E-Learning Courses > Add New Module

When adding new module, please sure you select SCORM 1.2 Package (zip) and upload the zip file.
