```

2. You'll need to copy the entire contents of the text file to your clipboard.

3. Navigate to the admin panel of your Claromentis system. For example, [yourcompany.com/intranet/admin/admin.php](http://yourcompany.com/intranet/admin/admin.php).

4. Click on 'System'

5. Click on 'License'

6. Where it says 'To fetch a new license', click here.

7. Paste the license (copied into your clipboard in step 2) into the text box next to 'Paste New License'

8 Click 'Save'.

**IMPORTANT!**

If the license has been applied successfully, the next screen will show a 'Green' status. If the license is not green. Please submit a High priority support ticket in the following link: <https://discover.claromentis.com/forms/tickets/add>
