

Claromentis Supported Versions

Claromentis Discontinuation Policy

Each release of Claromentis is fully supported for minimum 1 year from the initial stable release. During this period bugs and security issues reported are fixed and released with regular patch releases.

Versions

Version	Release	Active Support until	Critical Security Support until
10	TBC	TBC	TBC
9	Dec 2022	Dec 2024	Dec 2025
8.13*	Nov 2021	Dec 2024*	Dec 2025*
8.12	Mar 2021	No longer supported	No longer supported
