# Policy Manager Drop-In Session (26/9/2018)

by Michael Hassman on 1 October 2018

---

Above is the recording of the Claromentis online drop-in session covering the Policy Manager application on the 26th of October 2018.

Thank you to all who attended I hope it proved very useful.

Included in the recording: Creating categories and defining permissions, types, policy status (approval and achieving), creating policies and policy confirmation reports
