

Random Quotes Component

What is it?

Random Quotes Component. It refreshes every half-hour and pulls its quotes from a database of ~1500 quotes

How to Install

Step 1:

Download Random Quotes Component

(You have to log-in to Discover)

Step 2: At Claromentis navigate to **Admin > Pages > Component**

Click on Import Component

Step 3: Import tile-quotes.zip that you have just downloaded.

Step 4: Edit any pages and search for "Quotes" component.

Resize the component as needed.

FAQs:

Where do these quotes come from?
