

Discuss: Supported file types

When attaching a file in a Discussion post, the following error may appear:

This is a security measure within Claromentis to prevent malicious files from being uploaded to the system.

The following types of files in general are permitted:

- Text files (CSV, txt ...)
- Images (jpg, png, gif ...)
- Documents (PDF, Word, Excel, PowerPoint)
- Media (mp3, avi, wav ..)

If you have a specific file type you wish to be added to the "safe list", please submit a Change Request and one of our team members will be able to assist.
