Archived

A Discussion will automatically be tagged as one of the "Hot Topics" when it receives 10 new posts in the last 10 days.

This is to indicate the current trending topics of discussion which then encourages further engagement.

You can access all discussions with **Hot Topics** from the Discuss menu navigation on the left.

Tips: You can also 'pin' the discussion that interests you the most. Pinned Discussion will be displayed at the top of the list for easy access.
