

## Submitting holiday request on behalf of user

A **Holiday Manager** has the ability to submit holiday request on behalf of another user within the Holiday group.

A substitute manager also can submit a holiday request on a user's behalf.

For more information on Holiday groups & Manager permissions, check out our guide [here](#).

### Submit holiday request as Manager

Follow the 3 steps below.

1. Navigate to Holiday Planner

Head to **Application > Holiday Planner**.

## Approving holiday request

When a Holiday Manager (or substitute manager) requests a holiday on behalf of another user, the request will be automatically approved. In other words, the request will not have to go through the approval process.

The approved holiday can be viewed from the **Manager Diagram** section from the front-end of the application.
